

Horizon for 2050

Vision for the centre of Turku

City strategy 2029

Bergen

Reykjavik

Turku

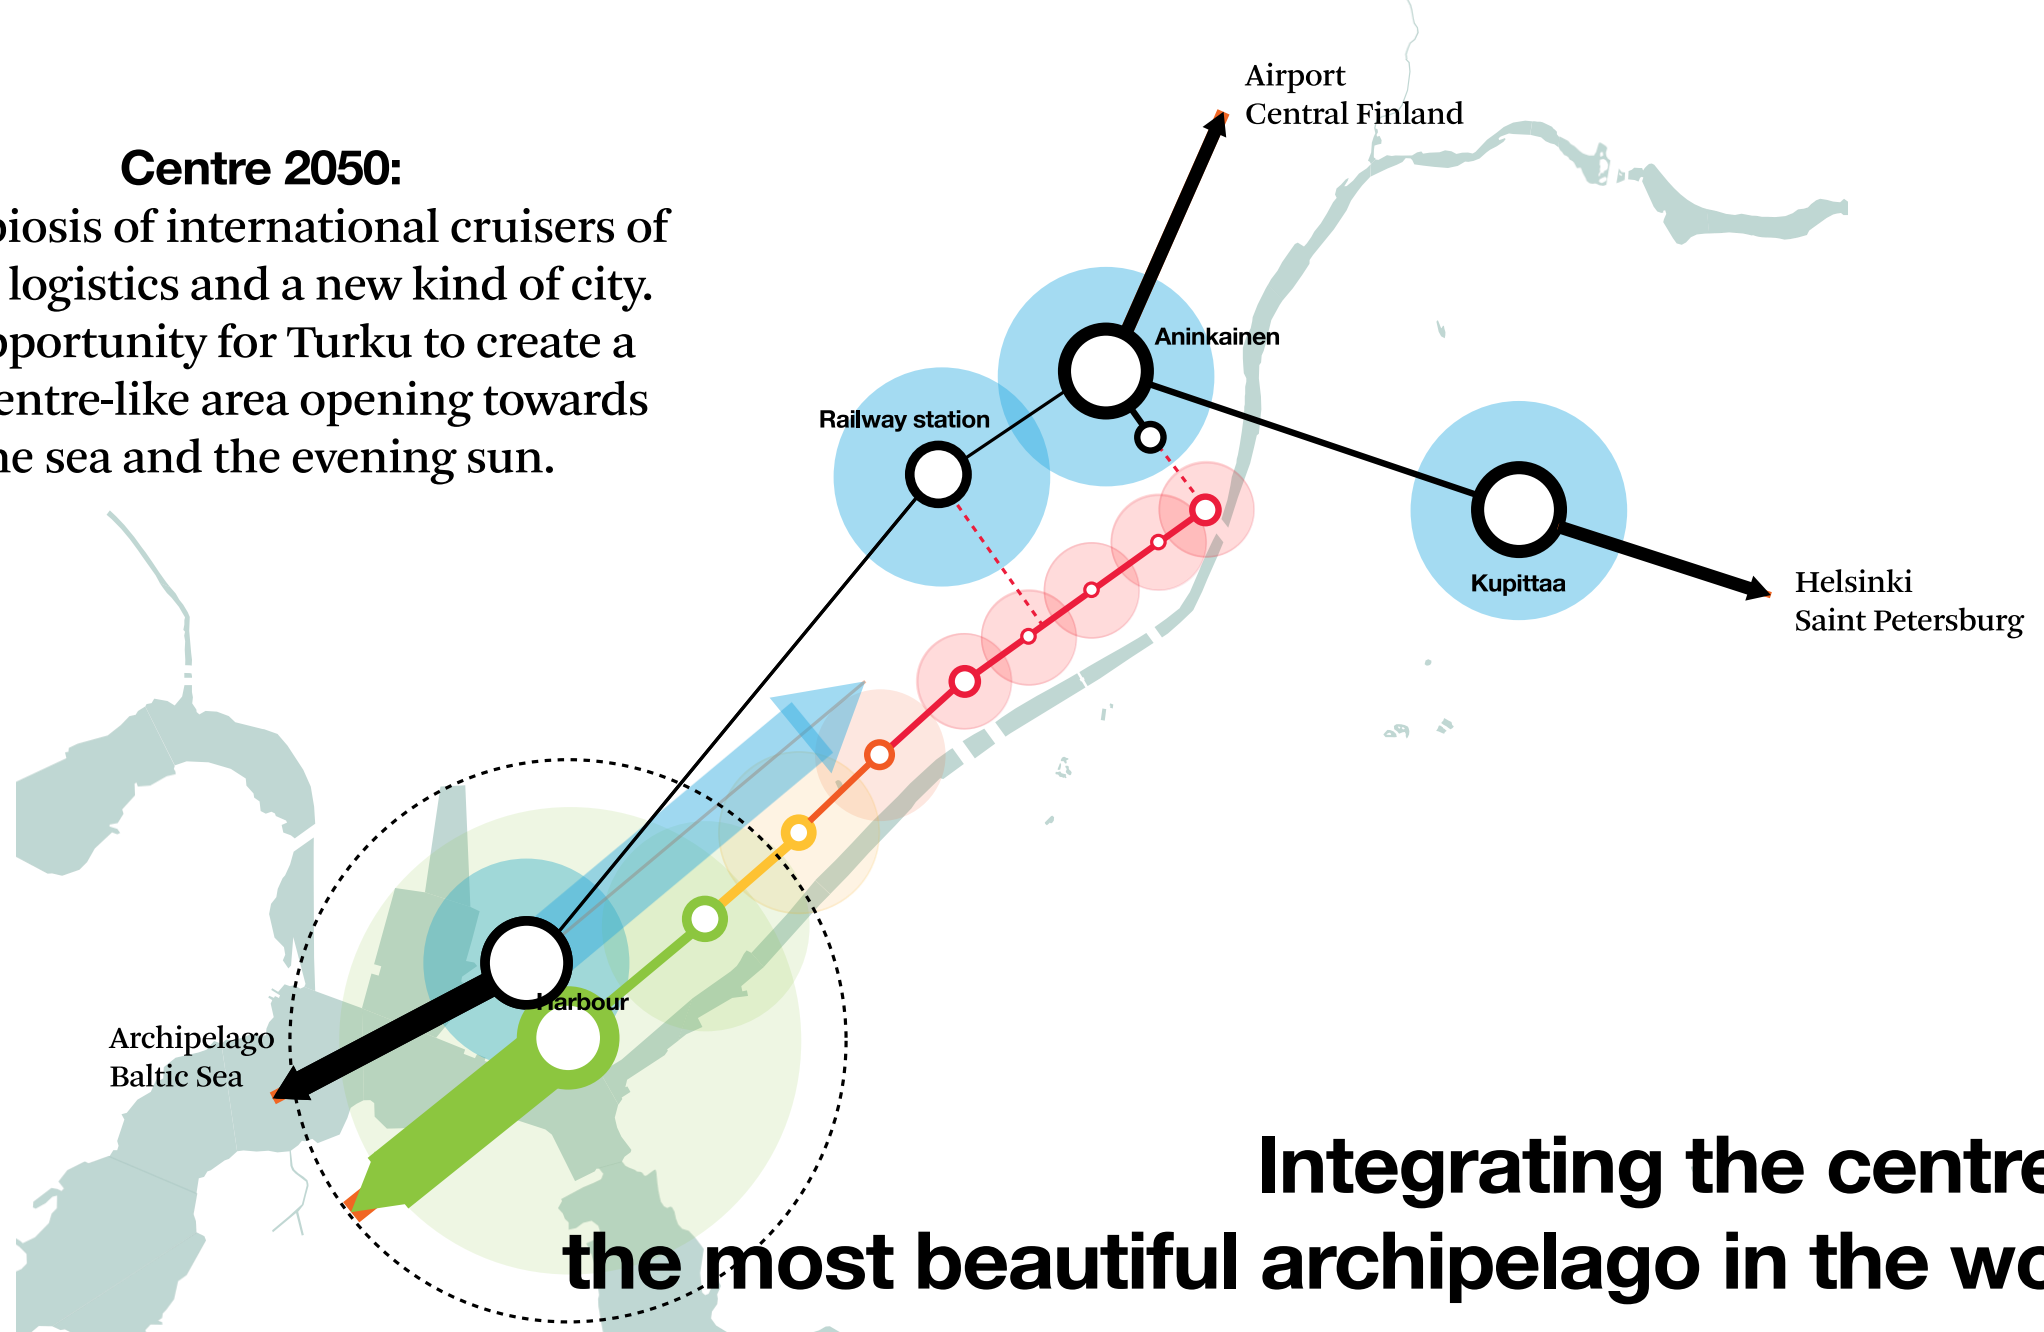

**The centre of
Turku?**

Turku - a word-class archipelago city?

Centre 2050:

A symbiosis of international cruisers of future logistics and a new kind of city.

An opportunity for Turku to create a new centre-like area opening towards the sea and the evening sun.

**Integrating the centre to
the most beautiful archipelago in the world**

**The capital of the most beautiful archipelago
in the world**
