Children's wonderland

Sundays from 5 P.M. to 7 P.M.

The Children's wonderlands invite children aged 1 to 12 living in Turku to have fun, free of charge! Wonderlands offer opportunities for varied exercise and play for the whole family. The activities are supervised but not guided, which means that each child must be accompanied by an adult.

Wonderlands can be found in several locations around Turku. Let's get moving!

Leisure activities as part of the school day

Practice basic motor skills and enjoy a variety of activities both indoors and outdoors!

Leisure activities are organised free of charge on school days during weeks 36 to 49 and weeks 2 to 18 (excluding school holidays). Please contact your school's own contact person or your child's teacher to learn more about leisure activities at your school.

School-specific activities have been listed here:

SchoolPT and SchoolPCAC programmes

The School Personal Trainer (SchoolPT) programme provides lower secondary school students with guidance related to exercise and well-being. By supporting different areas of well-being, the programme encourages young people to be more active in their day-to-day lives.

The School Personal Culture and Arts Coach (SchoolPCAC) programme provides lower secondary students with guidance related to culture and arts. The goal is to improve cultural wellbeing and to help young people discover arts and culture.

MIHI

During weeks 36 to 49 and 2 to 18 (not during week 8).

The MIHI programme offers young people between the ages of 12 and 19 time slots in Turku for over 40 different types of sports, free of charge. The selection is varied and includes both individual and team sports. In addition to sports, it is possible to independently use The Kupittaa skating rink and to go cross-country skiing in Impivaara (equipment free of charge). Young people can also book a time slot at a school in Turku just to have fun and play sports together. You do not need to sign up for Mihi time slots in advance (excluding billiards and laser tag).

Schools' outreach activities

Several comprehensive schools in Turku have an outreach programme for leisure activities. The service is meant for partner school students who have not yet found a leisure activity that they enjoy. The schools have their own contact person who is responsible for outreach activity and who helps and guides students in finding a meaningful hobby.
